Miniatures in Minutes

Border Frame Foundation: Safe as Houses

This quilt uses the Border Frame foundation from *Miniatures in Minutes*. All of the cutting directions and fabric requirements are listed in the book.

Important Reminder: When you print the appliqué design, be sure that scaling on your printer is turned off. The image should measure 7" by 7 3/4".

*** When you cut your background fabric for the appliqué, be sure to include the seam allowance (7 1/2" by 8 1/4").

The finished appliqué size measures 7" by 7 3/4". Add a quarter inch seam allowance to all of the edges shown below so that you cut your fabric design 7 1/2" by 8 1/4".
